

Nushagak River Outcamp by Rapids Camp Lodge

Rapids Camp Lodge offers a unique and adventurous Outcamp program on the Nushagak River. This program allows guests to experience the rugged beauty and abundant fishing opportunities of this remote Alaskan wilderness. Participants will embark on a memorable journey, staying in comfortable Outcamp accommodations while being surrounded by the stunning scenery and wildlife of the Nushagak River. Anglers can enjoy semi-guide fishing for salmon as they navigate the pristine waters of this renowned river. The Outcamp program at Rapids Camp Lodge promises an authentic and immersive outdoor experience, combining the thrill of fishing with the tranquility of nature in an unforgettable way.
